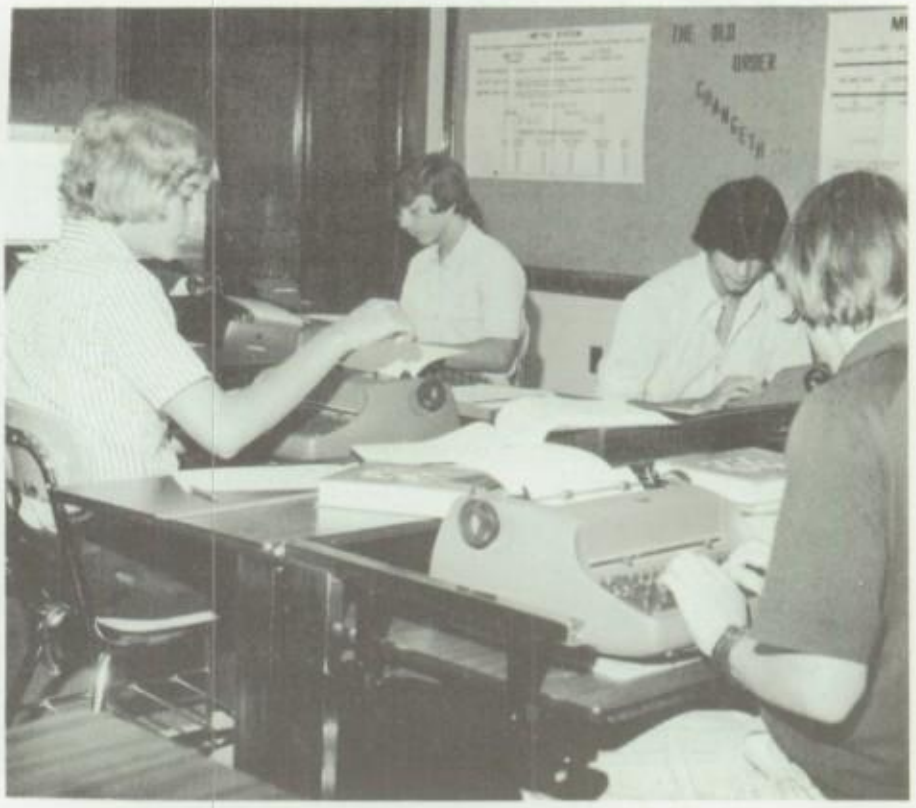
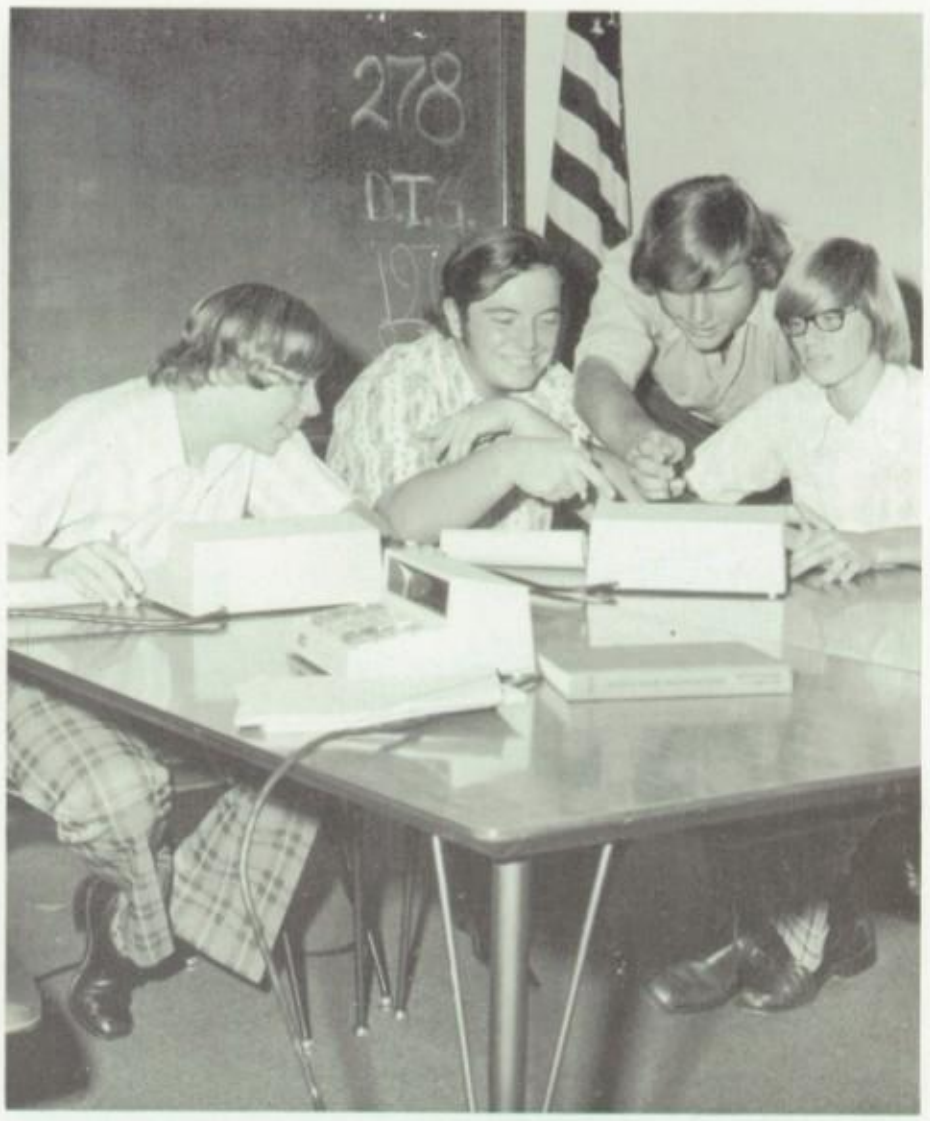
Opportunities for a High School Education and College Aid

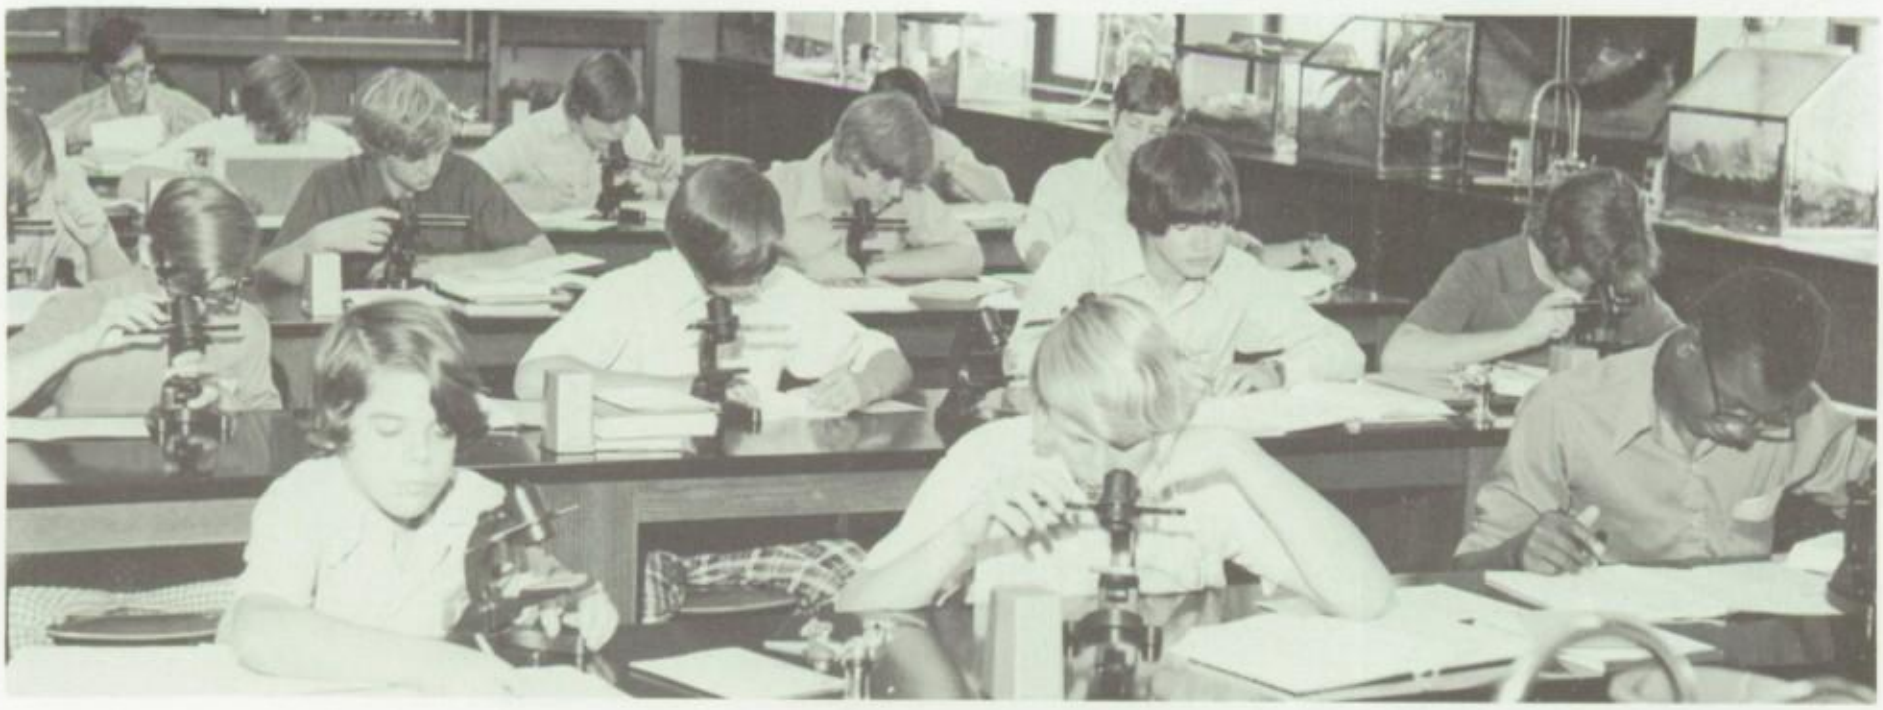


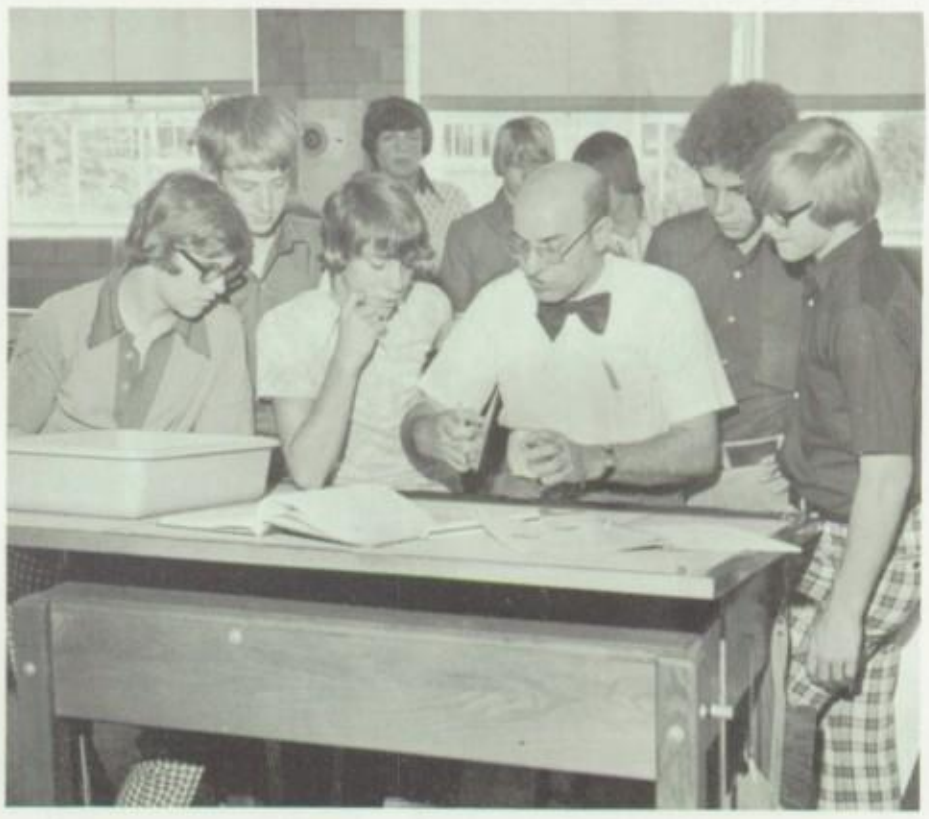
Every opportunity for a quality education is provided to enrich the minds of all students at Milton Hershey School. Experienced and dedicated teachers try to develop each student to his highest potential, using the most up-to-date facilities along with the newest methods.

Any deserving senior enrolled in College Preparatory, Business, or any one of the technical training courses may secure from the school financial aid, if needed, for continuing his education. This program is designed to assist a student up to three of the four years he may spend furthering his education in either college or technical school.

In addition many extra-curricular activities, clubs, and hobbies are designed to meet the interests of all students and develop well-rounded personalities and healthy bodies.







Opportunities for Training for a Technical Career

Milton Hershey's purpose in founding the School was to provide for orphan boys a home and an opportunity to acquire the necessary skills in a trade that would enable the student after graduation to earn his own livelihood.

This has been the dominant purpose of Milton Hershey School for sixty-five years. Eleven technical courses are offered to meet the changing needs of a changing society. Veteran teachers in well-equipped shops supervise this practical training for two weeks of each month for the three years that the student spends learning the trade. The other two weeks of each month the student in a technical course takes instruction in related subjects. All extra-curricular activities are open to technical students, as well as financial aid to attend advanced technical schools.

Board of Managers Enlarges the Scope of Opportunities

BOARD OF MANAGERS—Clockwise: John T. Shuey (Secretary-Treasurer), Joseph S. Gumpher '35, William S. Cashel Jr., John S. Baum, Edward T. Book, John M. Aichele '39, Kenneth V. Hatt '41, William E. Dearden '40, S.A. Schreckengaust Jr., Harold S. Mohler, John O. Hershey (Chairman).

Milton S. Hershey and his wife Catherine S. Hershey, when they founded Milton Hershey School by signing the Deed of Trust on November 15, 1909, wisely provided for its future by placing control in a Board of Managers. These men, some of whom are graduates of the School and all of whom are well-known in the field of business and leaders in local civic affairs, administer the provisions of the Deed of Trust and set the guide posts for the year-to-year operation of the School. Every action taken by the Board of Managers is for the expansion of opportunities for boys enrolled in the School and for the continued improvement of the community of Hershey, in which the School is located.

In the past decade, the programs and activities of the School have been extensively enriched.

Milton Hershey's President and Vice-Presidents Supervise All Opportunities

Dr. Richard A. Rudisill (vice-president and headmaster), Dr. John O. Hershey (president), John M. Aichele '39 (vice-president and administrator of business affairs).

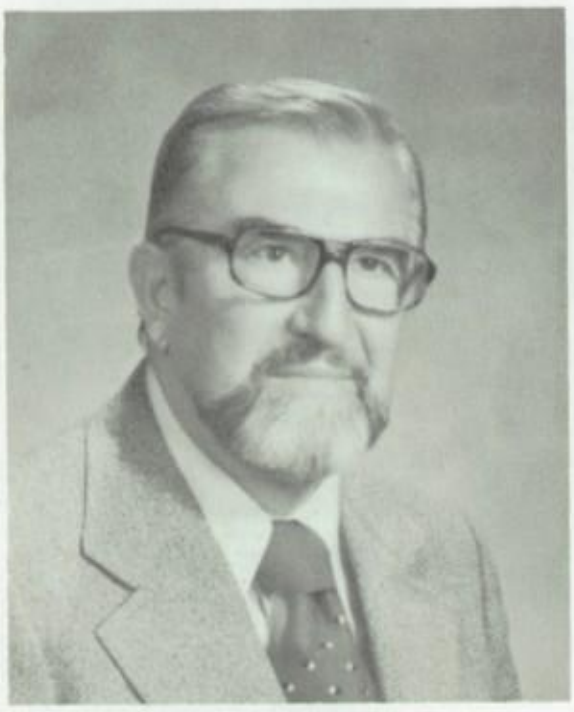
We Salute Three Retirees



Thural V. Brehm

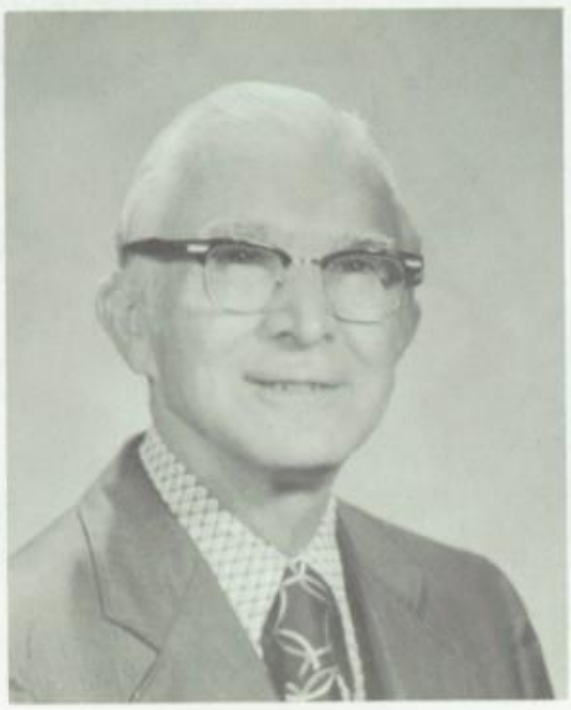
Thural V. Brehm has brought 35 years of devoted service to Milton Hershey School, first as a houseparent and later as Director of Family School Relations. Born on August 17, 1910 in Ramona, Kansas, Mr. Brehm taught school there for six years until November 15, 1939, when he came to MHS. After graduating from Lebanon Valley College where he received his bachelor of science degree, he later earned his master's degree from the University of Pennsylvania. Along with his work here at school, Mr. Brehm served as scout master for thirty-two years as well as president of such organizations as the Hershey Civic Club, Hershey Optimist Club, Keystone Personnel and Guidance Association and Vice President of Pennsylvania School Counselors Association. We take this opportunity to thank Mr. Brehm for all his sincere efforts to help boys become young men.

John W. Showalter

John W. Showalter, born in Terre Hill, Lancaster County, was truly an attribute to the lives of many Milton Hershey boys. He attended school at the Terre Hill Boro Elementary and High School. He went on to Albright College in Reading with a baseball scholarship sponsored by "Pop" Kelchner and Branch Rickey of the St. Louis Cardinals. He received his masters degree in eduation at Temple University in Philadelphia. Before becoming a faculty member at M.H.S. he taught in the Terre Hill Boro School District.

In August of 1935, Mr. Showalter entered the School as a new faculty member, where in addition to his teaching assignments, he served as baseball coach for the Spartans and a Junior Varsity Football coach for the years from 1945 through 1946.

We give our many thanks to Mr. Showalter for his many years of devoted service to Milton Hershey School.



Orville H. Strait

After thirty-two years of conscientious service to Milton Hershey School, Orville H. Strait retires at the end of the current school year.

A native of Fulton County, Pennsylvania, where he received his elementary and secondary education, he attended the Pennsylvania State University for undergraduate and graduate study and began a teaching career of forty-three years.

Always active in community and civic affairs, he served in scouting at Milton Hershey School and has been a teacher and administrative officer in Bethany United Methodist Church of Palmyra since 1943.

Mr. Strait firmly believes that schools were primarily established as places of learning, that a teacher should be a master of his subject, and that the American competitive system is the source of America's greatness.

Counselors Make Us Aware of Our Excellent Opportunities

Personnel Staff

STUDENT PERSONNEL STAFF:—Dr Gene R. Layser, Bryan P. Seese, R.E. McLaughlin, Richard C. Johnson.

Members of the Student Personnel Staff are involved in many phases of student life at Milton Hershey School. Their chief responsibilities are handling all facets of enrollment and termination and helping students adjust to their new surroundings. The staff directs family-school relationships and assists students in solving any problems that may arise. In the area of job placement the staff lends assistance to graduates in obtaining employment in their chosen fields and helps students complete their plans for enrollment in college or technical school.

Health Care is a Constant Concern at MHS

Medical-

Constant medical care, under the supervision of Dr. D. Lee Backenstose and his professional staff of nurses, is available on any one of the three well-equipped clinics on the campus.

For prolonged illness or for isolation with contagious diseases the Health Center, located on the south campus, is available.

Dental-

Our dental staff of nine professional members, working on a twelve month basis and using the finest equipment available, including x-rays, gives regular checkups, cleans teeth, fills caries, and provides excellent services in orthodontia. Dental clinics are located in each of the three educational divisions of the School.

MEDICAL STAFF—Seated: Sally A. Coulter R.N., Doris K. Gingrich R.N., Eleanor F. Wood R.N. **Standing:** L. Mary P. Kroeck R.N., Dr. D. Lee Backenstose M.D., Ruie R. Spangler R.N., Mary L. Garrison R.N.

L. Mary P. Kroeck

Mrs. Kroeck became affiliated with the School in 1959 when she was employed as a houseparent on our campus. After serving as a housemother for six years, she entered nursing at the old Hershey Hospital. There she spent the past eighteen years employing her skills in caring for the sick.

The Milton Hershey School Family appreciates very much the many outstanding qualities she possesses and also appreciates her years of dedicated work at Milton Hershey School.

Ruie R. Spangler, born February 13, 1910, in Lawn, Pa., attended Lebanon High School before becoming a registered nurse at Lancaster General Hospital in 1931. Mrs. Spangler was a private nurse for the late founder of our School, Milton S. Hershey. Thereafter she treated patients at the Hershey Hospital until she joined our School's Medical Staff on October 12, 1970, to care for our medical needs. We shall miss her for the many services she has rendered to us in these past years.

Special Services Satisfy Students Every Needs

Dorothy H. Kluck Ends 44 Years of Service

Dorthy H. Kluck, born on January 8, 1912, in Gettysburg, Pennsylvania, is retiring after forty-four years of service to our school. Before being employed by Milton Hershey School, Mrs. Kluck was a cafeteria waitress at the Cocoa Inn Cafeteria. She began working for our school June 1, 1930, and has since been the head of our kitchen, having the responsibility of ordering food and arranging menus and well-balanced diets. We join together in wishing Mrs. Kluck the best in retirement.

Activities

Cabinet and Senates Present Student Views

The student cabinet's purpose is unique. Its job is to better our School through government. The members mainly try to act as representatives and pass on the opinions of the student body to the School's administration who work on feasibilty of their proposals and recommendations.

The Senior Senate and Intermediate Senate are composed of elected members of the student body, which includes leaders of all activities. These elected members provide a closer relationship and better understanding between students and administrators. Students learn leadership, responsibility and cooperation by working together.

The Acropolis Preserves A Record of the School Year

Dr. Rudisill congratulates Mr. Strait upon retirement for the many years of service as coordinator of the **ACROPOLIS.**

For nearly three quarters of a century Milton Hershey School has provided unlimited opportunities for orphan boys to prepare themselves for a place in society and to grow "physically strong, mentally awake and morally straight." Having selected "Opportunites Unlimited" as the theme of our year book,we have presented a picture of the opportunities available to students who would prepare for college, business, or one of the trades of their choosing, in addition to the extra-curricular activities, that build strong bodies and pleasing personalities.

We also have the opportunity to say goodbye to Mr. Strait, who has coodinated the production of the ACROPOLIS for the past thirteen years. We hope he has unlimited opportunities to enjoy the retirement he richly deserves after serving Milton Hershey well for thirty-two years.

Orchestra Produces Accomplished Musicians

The Spartan Orchestra ranks high among the best known stage bands in the Capital Area.

The sound of the orchestra is proof enough of the dedication of its membes to the perfection of the music they play, which ranges from dance tunes and jazz to modern to popular rock.

Appreciation of Drama Grows

In the past few years PHSSL has attained recognition from the School by presenting plays for the School and community, entering talented speakers in oratorical contests, and producing various other related works. Under the direction of George Hollich, the International Thespian Society consists of PHSSL members that have contributed at least 100 hours of work in dramatics.

This year's team, coached by Edward B. Ruth and sparked by co-captains Mark Roth and Bruce Woodcraft, compiled a dual meet record of 8-1 and repeated a conference meet victory.

Other highlights in the season included second place in the Lebanon and Hereford (Md.) Invitationals, first place in the Solanco Invitational and fifth place in the District III meet.

Randy Howell broke Palmyra's course record and Bruce Woodcraft, who holds our school record (16:52), shattered C. D. East's and East Pennsboro's course records also. Senior Ken Beasley became a medalist in all the big meets.

Coach Ruth is optimistic about next year's team, as many talented underclassmen return.

Coach Ken Snyder's Spartans achieved their fourth straight winning season with a CAC record of 5-4.

Coach Snyder installed a backfield of underclassmen primarily centered around the crafty junior running back Jim Hall, who carried the ball 139 times for 876 yards for an amazing 6.3 yard average.

An upset (20-14) win over Middletown, who was previously undefeated in 40 successive league games, highlighted the season.

Next year's team is expected to surpass this year's record and be a solid contender for the CAC crown, as a total of 16 lettermen return. Seven offensive starters and four defensive starters will be back.

This year's Gymnastics team remained undefeated for the third straight year with a 9-0 record, raising their overall team record to 42-1.

Capital Area Conference champions, the team centered around their team captain and graduating senior Jeff Fawell. This all-around gymnast, who was undefeated all season in dual meets and tournaments on the still rings, along with senior Bren Summers, Todd Zehmisch, and David Willis, sparked the team.

The Spartans were team champions at the Central Pennsylvania Gymnastics Judges Association Tournament, as well as the Tri-County and Hempfield Optimist Annual Invitational tournaments.

Varsity Basketball Squad Displays Coveted Spartan Abilities

The 1974-75 Varsity Basketball team, coached by John Cook, made history this year. After a very dismal first half, in which they posted a 4-5 record, the Spartans put it all together, compiling nine straight wins for an undefeated second half. They then went on to win the C.A.C. crown for the first time in the history of Milton Hershey School.

The team was lead by 6 ft. 3 in. captain and center Reggie Wells. This three year letterman has become the second highest scorer in M.H.S. history with 1,325 points and also holds the all time rebounding record. Helping out in the front court with Reggie was an immensely improved Andy Franchak, who was second in team scoring for the season.

Co-captain Jeff Bailey and Tim Chambers made up the back court. Bailey's quickness enabled him to capture the school record in assists and steals.

Next year's outlook can be considered good to excellent with five varsity members returning and a J.V. squad with a record of 17 wins and 4 losses.

Junior Wrestling

Although this year's wrestling team did not post a winning season, they placed 7th in the rough CAC league and had two finishers in the South Central Regional Qualifying Tournament—Round I. They were Terry Waters at 185 lbs. and Mike Bleiler at 155 lbs.

Next year's team should be vastly improved, since some outstanding freshman will be pushing for varsity spots.

Two years ago a new organization was born at Milton Hershey School. This organization is a combination of religious fellowship between Christian boys and physical activity. John A. Cook has done a superb job of building the foundation for the group. He has made meaningful relationships between the M.H.S. and H.H.S. "Huddle Groups." The highlight of each year for the "Huddle" is a mini-conference where many of the surrounding school "Huddle Groups" meet at Hershey High for a day of Christian talk and activity, ending with a speech by a professional athlete.

Intermediate Students Are Eager for All Sports

The building years of Milton Hershey Sports start at the junior high level. Sports in which seventh and eighth graders may participate are junior high football, track, wrestling, gymnastics, basketball, and swimming.

Fundamentals of each sport are stessed and there is excellent coaching throughout each program. Along with modern athletic facilities these teams have been very successful. It is not only equipment that helps, but also the self-discipline practiced by these young athletes. Almost all games are played within the Capital Area Conference.

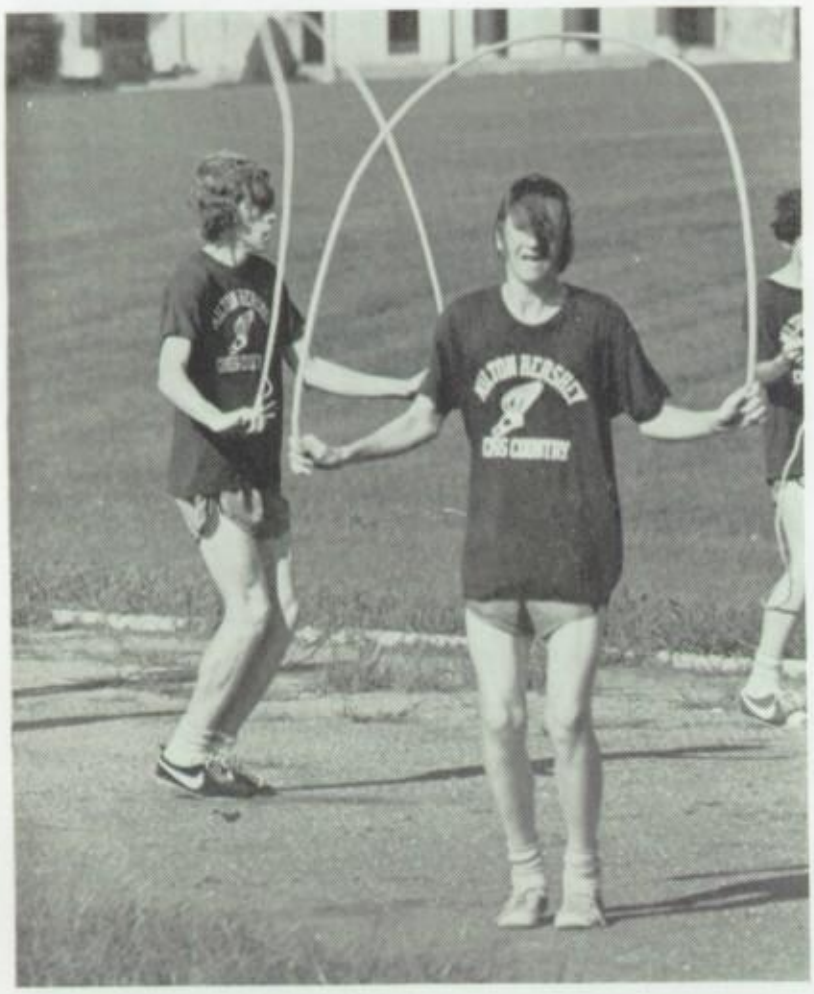
Can you pick out the members of the Class of '75?

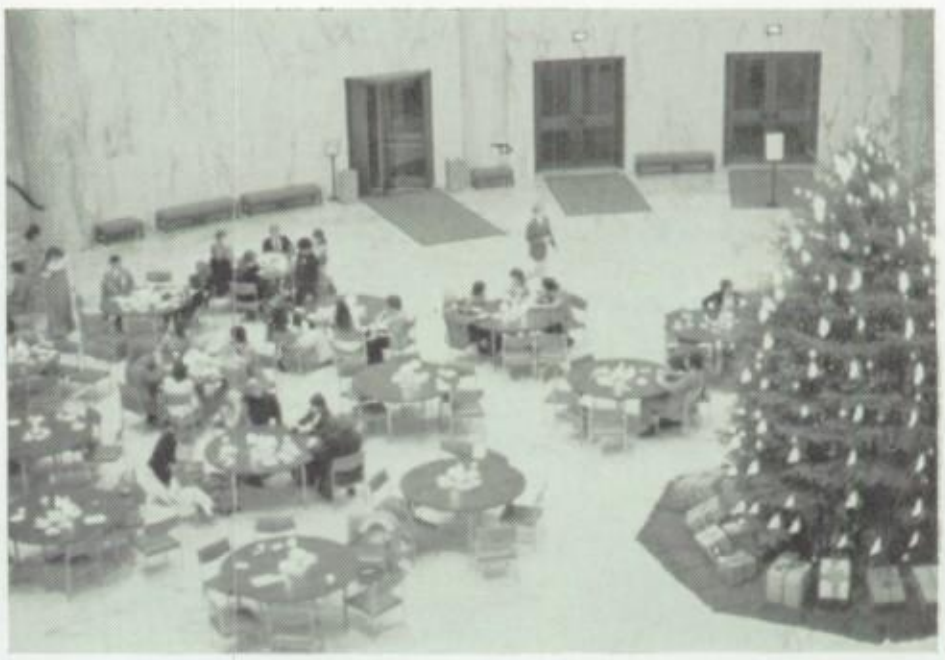
These are our Memories

"Section 33," cheers the Spartans on to victory!

"Hey, Ref, we want another ball!"



Cross Country is no hop, skip and a jump



Christmas at Founders

"Peeping Tom!"

Wally Hawley at the MIKE

Taking time to catch up on the news during a time out

"Of all times to take my picture!"

"I didn't take any cookies, honest!"

Life is one big grind stone

"Don't talk to me that way!"

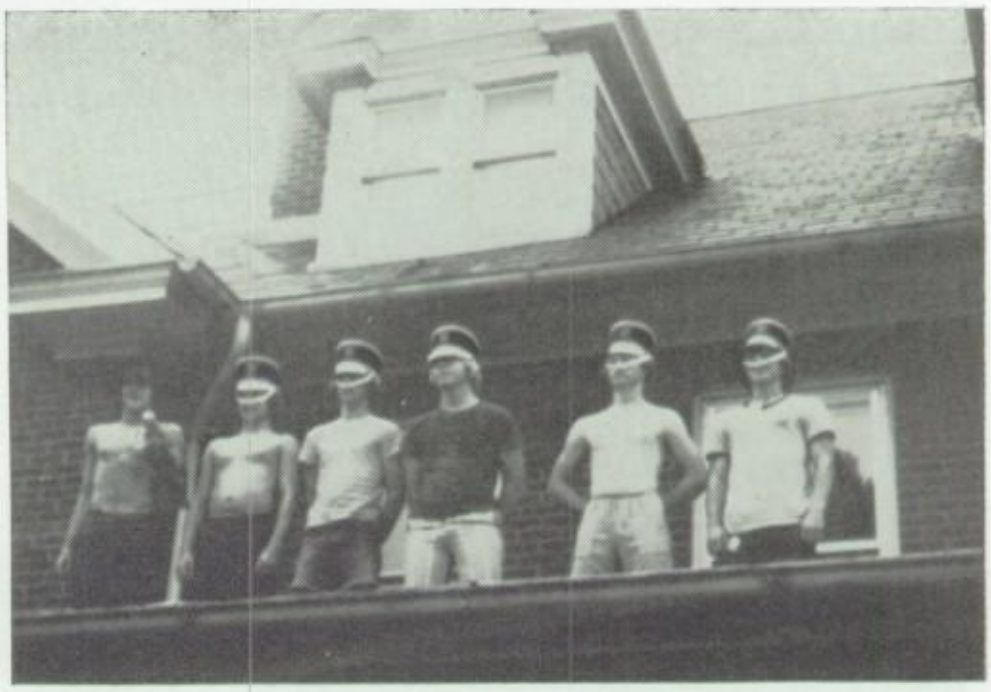
"Hey coach, you look like you could use some gatorade."

Happily planting for the future

Our Varsity Bench Warmer

. . . a one horse open sleigh . .

More memories



Changing of the guards

A happy couple at the Christmas Dance

"Hey, G'dleak!"

Another "Big Deal!"
